REPORT AND RECOMMENDATION

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on January 4, 2011, after receiving the written consent of defendant and all counsel. At the hearing, defendant Maria Gomez-Hinojosa entered a plea of guilty to count 2 of the Indictment charging her with falsely representing a social security number to be the social security number assigned to her by the Commissioner of Social Security, in violation of 42 U.S.C. § 408(a)(7)(B), in exchange for a promise by the government that it will move to dismiss count 1 at the time of sentencing. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises, apart from the promises in the oral plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to count 2 of the Indictment be accepted and that the court adjudicate defendant guilty of the charge. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.
